NOTE FOR: DCI

SUBJECT: Your Meeting with Amb. Seymour Weiss and
            the Military Advisory Panel (MAP),
            11:30, Wednesday, 28 May

        1. Your meeting, finishing off the MAP's first
outing with the NIC, 27-28 May, will give Sy and his
colleagues a chance to discuss the sessions
privately with you.

        2. They will have read and discussed (among
themselves, and with NIO/SP, NIO/USSR, NIO/FDIA, and
me) a number of Larry's recently published NIEs and
two of Fritz' (on Soviets and arms control, and on
domestic stresses in the Soviet system). The princi-
pal purposes: to ascertain whether we have caught
the totality of Soviet military strategy, are suffi-
ciently sensitive in the scope of our estimates to
the needs of senior US military policymakers, whether
there are gaps in subject matter we should fill in
future estimates, or changed emphases, etc.

        3. In addition to Sy, the Panel members are
Tom Brown, Adm. Bob Long, ~~Gen. Jasper Welch,~~ Ted
Warner, and Gen. Paul Gorman.   *

        4. Bob Gates, unavailable for the 11:30 meeting,
will have met with the Panel earlier on the 28th.
